

Dear potential Host Family,

We are looking for families to serve as housing hosts for several Symetra Tour women's professional golfers competing in the 5th annual FireKeepers Casino Hotel Championship during the week of August 13 – 19, 2018 at Battle Creek Country Club. Players will require accommodations beginning on Monday August 13th or Tuesday August 14th and will conclude on Sunday, August 19th. If your player requests additional dates, if you are able to accommodate that request, you will work that out with them directly.

Housing Hosts will have the unique opportunity to spend time with Symetra Tour players that utilize the host-housing program. As a Host, you will be providing a great service to the Players, allowing them to save on their weekly expenses, as well as giving them a comfortable home environment as an alternative to traditional hotel accommodations. We hear repeatedly, that other than playing well, their next favorite part of the week is their host family and the lasting friendships that result.

As a Housing Host, here is what you can expect:

- Housing is for the PLAYER ONLY (no caddies, parents, significant others, siblings, etc.).
- Players may not bring their pets with them to their Host house.
- All Players will have their own transportation.
- You may host more than one player, but each player must have their own bed.
- Meals are not required; however, most Players will appreciate any meals or other provisions that are made available to them. If you wish to include your Player(s) in family meals, we encourage you to consult with them in advance so you can avoid any unnecessary expenditures if they have made other arrangements.
 - Please note: Player's schedules, tee times and practice times vary from day to day, so it may not always be possible to coordinate a convenient time for everyone to dine together. When possible, seek confirmation from your Player(s) before setting plans into motion.
 - If you want to provide food and beverages but have scheduling conflicts, you may consider prepared meals or simply offer for the Player(s) to utilize the kitchen to serve themselves.
- Players often need to do laundry. If you will allow the Player to use a washer and dryer in the home, please let us know on the application.
- Housing host cannot be a single male household.
- Housing assignments will be assigned, starting 2 weeks prior to the tournament once the final field of players is known and the player requests start coming in.

As a host family, we would like to invite you to "The Greatest Stop on the Symetra Tour" Meet The Players Party on Monday August 13th from 5pm-8pm at FireKeepers Casino Hotel. Enjoy food and festivities to help everyone get in the swing of Tournament Week. Additional information will be provided to you once your application has been processed.

We hope that you will become a housing host family and please pass this on to any friends that you think would be willing to host as well. If you have any questions please feel free to contact us via phone or e-mail:

Sincerely,

Michelle Richens
