

FireKeepers Casino Hotel Championship
Battle Creek, Michigan
July 25th – July 30th 2017

Dear Potential Host Family,

We are looking for several families to open their homes to the women golfers of the Symetra Tour during the FireKeepers Casino Hotel Championship, the week of July 25th through July 30th at the Battle Creek Country Club. Most Players will start arriving on Registration Day, Tuesday July 25th and depart on Sunday, July 30th following the tournament.

Housing Hosts should be within 45 minutes driving time to the Battle Creek Country Club. Hosts will have the unique opportunity to get to know the players on a personal level. You will be providing a great service to the players, allowing them to save on their weekly expenses, as well as giving them a comfortable home environment as they travel each week. Time and time again, lasting friendships are developed out of being a Housing Host. The players are very appreciative to the host families and enjoy this "family time".

As a Housing Host, here is what you can expect:

- Housing is for the PLAYER ONLY (no caddies, parents, significant others, siblings, etc.)
- Players are not allowed to bring their pets with them to their housing assignment.
- All players will have their own transportation.
- You may host more than one player, but each player must have their own bed.
- Meals are not required; however, most players appreciate having some meals provided by the host family and we encourage you to discuss this with them upon arrival.
 - Player schedules, tee times and practice times vary greatly from day to day and it can be difficult to schedule dinners and other activities. Please confirm schedules with your player(s) before setting plans into motion.
 - If you want to provide meals, but have a scheduling conflict, it may be easier to provide pre-prepared meals with easy heating instruction, or otherwise allow the player(s) free reign to anything in the kitchen.
- Players may need to do laundry. Please indicate on the Housing Application if you have laundry facilities available or not.
- Players cannot be placed in housing where there is only a male in the home.

We will start making assignments two weeks prior to the tournament when we know who will be playing in the tournament, and we will contact you via e-mail with your assignment. Timing may vary depending on when we receive the housing needs from the players themselves.

If you would like to be a Housing Host for the stars of tomorrow, please fill out the housing application and return it to the address listed on the bottom of the form at your earliest convenience.

Please feel free to contact me with any questions:
