

HOW TO PLAY KENO

ONE

Place an "X" on the numbers you wish to play on a blank Keno bet slip. You may choose between 1-10 numbers or our featured specialty Keno games. In the spaces provided, mark the number of consecutive games you wish to play, the price per game (minimum bet \$1) and the total price of all games.

TWO

Present your completed ticket to the Keno Writer Station.

THREE

Watch the display board. Twenty numbers will be drawn at random and will show as lighted winning numbers on the display board. Check the payoffs to see if you have a winning ticket. Any writer will be glad to check your tickets for a winner.

Display boards are for the convenience of the customer only.

For your protection, please check your ticket for errors.
