# AUGUST 14 – 17, 2025

- Must be a Red Hot Rewards Club member and present valid ID to register and play.
- TDA Rules apply to all tournaments.
- **All players advancing through a \$175 Milestone Satellite will be given a choice of a seat in Main Event Day 1A or 1B.**
- Late registration and unlimited re-entries are allowed through the start of level 6 in \$45 Milestone and through the start of level 5 in \$175 Milestone Satellites. Players are allowed to forfeit their chip stack prior to the end of registration and re-enter.
- Advancing players in the \$175 Satellites will receive certificates and must choose their flight prior to certificate issuance. FireKeepers Casino Hotel is not responsible for lost or stolen certificates.
- Players are allowed to play multiple satellites and win multiple seats. Seat certificates are transferable.
- All satellites will be played as Milestone events with the exception of Turbos, which will play down to 20% of the field; rounding to be paid in cash to the bubble.
- \$45 Milestone Satellites (\$35 prize pool + \$10 administration fee), 10k starting chip stack with 15-minute levels. 1 in 5 players will advance to a \$175 Milestone Satellite; rounding to be paid in cash to the bubble.
- A player who accumulates 60,000 in tournament chips ("The Milestone") in a \$45 Satellite will instantly be awarded one (1) \$175 Satellite seat certificate.
- \$175 Milestone Satellites (\$150 prize pool + \$25 administration fee), 15k starting chip stack with 20-minute levels.
- 1 in 5 players will advance from each \$175 Milestone Satellite to the \$750 Best Bag Forward Main Event Day 1A or 1B; rounding to be paid in cash to the bubble.
- A player who accumulates 90,000 in tournament chips ("The Milestone") in a \$175 Satellite will instantly be awarded one (1) \$750 Main Event seat certificate for Day 1A or 1B.
- Upon verification from the Tournament Director that the player has achieved the Milestone, the player will cease play, the total of his/her chips will be removed from play and he/she will be awarded a certificate.
- The tournament will conclude when the number of players remaining is equal to 1 in 5 of the total entries, less the number of players who have previously won the prize by reaching the Milestone and taking a seat certificate.
- While the tournament staff will make the best effort to identify players as they achieve the Milestone, it is the responsibility of each individual entrant to notify the dealer or Tournament Director when they have reached the Milestone. Players are to maintain clean vertical stacks of twenty (20) same denomination chips with higher denomination chips visible and identifiable at all times to aid in chip counts.
- A player who is dealt into a subsequent hand after achieving the Milestone will be required to complete the hand prior to being awarded a certificate. If, at the completion of the additional hand, a players' chip total falls below the Milestone they are not eligible to receive the certificate until their chip total is once again equal to or greater than the Milestone.
- The Tournament Director must be called to verify the tournament chip count of a player who is making a claim for a certificate. Players may request that the Tournament Director count their stack at any time between hands.
- A player who assists another in counting their chip stack or notifying them that they have reached the Milestone is not in breach of the rules.
- \$750 Main Event (\$660 prize pool + \$90 administration fee), 40k starting chip stack with 40-minute levels;
- Late registration and unlimited re-entries are allowed through the start of level 10 in all Main Event Day 1 flights.
- Players are allowed to forfeit their chip stack prior to the end of late registration and re-enter that Day 1 flight or in another Day 1 flight.
- Players who bag at the end of a flight are allowed to play a future flight.
- If a player has multiple bags at the start of Day 2, their highest bagged chip count will be used. All other bags will be forfeited. There are no refunds on the bags forfeited.
- All late registrants and re-entries will receive a full starting chip stack.
- Re-entries will be assigned seat based on random draw or to balance tables at Tournament Director's discretion.
- All players with a paid seat, prior to the tournament start time, will have their chips put into play.
- Alternates will be called in order. Alternates must be in the room when their number is called. If they are not in the room, TD will call the next number until an active player is available to take the seat. Alternates not in the room will be skipped and remain at the top of the alternate list. Once registration has closed, all alternates not present will have their chip stack put into play, as seating allows.
- The Main Event will be held over four days. Day 1A starts Thursday, August 14th at 12 PM. Each Main Event Day 1 flight will play down to 12% of the field rounded down. At the beginning of Day 2, the tournament clock will resume at the earliest finishing time at which play ended in any of the previous starting flights.
- Ten (10) minute break at the completion of every three (3) levels during Day 1's. Ten (10) minute break at the completion of every three (3) levels during Day 2.
